[Anaconda Download Mac Os X](#)

The screenshot shows the Python.org website. At the top left is the Python logo and the word "python" with a trademark symbol. To the right is a "Donate" button and a search bar. Below the header is a navigation menu with "About", "Downloads", "Documentation", "Community", "Success Stories", and "News". The "Downloads" menu is open, showing a list of options: "All releases", "Source code", "Windows", "Mac OS X", "Other Platforms", "License", and "Alternative Implementations". The "Mac OS X" option is highlighted. To the right of the menu is a white box with a yellow header "Download for Mac OS X" and a yellow button labeled "Python 3.8.5". Below the button, it says "Not the OS you are looking for? Python can be used on many operating systems and environments. View the full list of downloads."
