Play or stream video to any of the over 1 billion DivX Certified® devices on the market today, from TVs to tablets and everything in between.. Shake 2.5 will be available for Mac OS X for a suggested retail price of \$4,950 (US) with annual maintenance of \$1,199 (US), and for Linux, IRIX and Windows for a suggested retail price of \$9,900 (US) with annual.. Shake was widely used in visual effects and digital compositing for film, video and commercials.. Shake exposed its node graph architecture graphically It enabled complex image processing sequences to be designed through the connection of effects 'nodes' in a graphical workflow interface.. Its exceptional power, nuance, and clarity supports up to 5.1 audio channels in this version of DivX Software.

Version 3.5 brings new shape-based morphing and warping tools for advanced compositing and new “shape shifting” special effects.

DivX Software DownloadDolby Audio™ Edition allows you to play videos with AC3 audio tracks in DivX Player and DivX Web Player to Windows and Mac computers.. Experience theater-quality audio tracks for your videos with the Dolby Audio™ Edition of DivX Software—the first version of our software to support AC3 audio with DivX video formats, including HEVC video up to 4K Ultra HD.. As the popular surround sound format used by DVDs, Blu-rays and many other digital video formats, AC3 tracks simulate surround sound speakers on your PC for an audio experience that feels like you're in the theater still.. Use DivX Converter to create DivX, AVI, MKV, MP4 and HEVC videos; backup DVDs and Blu-rays with Video Pack; DivX Player to watch high-quality video on your desktop; DivX Web Player to stream and watch up to 4K video with surround sound directly in your favorite web browsers with Blu-ray like features (subtitles, multiple audio tracks, smooth FF/RW and chapter points); and stream your video collection to nearby DLNA-compatible devices or Chromecast.. Shake is a discontinued image compositing package used in the post-production industry developed by Apple Inc.
